EDUCATION:

UNC Chapel Hill, Full Stack Web Development   **August 2020 - Present**
6 Month Coding Boot Camp

East Carolina University College of Business, Greenville, NC   **July 2019**
Bachelor of Science in Business Administration, Management Information Systems
GPA: **3.3**

EXPERIENCE:

Allscripts, Raleigh, NC   **July 2019 – Present**
Associate Software Engineer
- Gaining experience working on a full-stack development web application, allowing exposure to the healthcare IT industry
- Completing several front-end projects, focusing on the UI and creating a modern design for the web application
- Aiding the QA team when needed by testing their test cases, sometime using HL7

Allscripts, Raleigh, NC   **May 2019 – July 2019**
Software Development Intern
- Used C# to implement a new tool that displays database disk usage space, preventing the support team from having to find it manually
- Created queries through SQL Management Server 2016 to find storage space, and connecting them to the C# application in Visual Studio

TECHNICAL SKILLS:
- Experience with C#, SQL, HTML, CSS, Javascript, JQuery
- Adobe Photoshop, InDesign, Microsoft Excel, Access, PowerPoint, and Word

PROJECTS:
- **Just Pick**: Worked with a team to create a mobile-responsive web application that would generate a random restaurant dependent on city chosen. Used a Web API, Javascript, CSS, and HTML to create this. https://michaelwitt.github.io/Just-Pick/
- **Weather Dashboard**: The user enters a city of their choice and are given the weather for the upcoming week. Used JQuery, an API, CSS, and HTML to create this. https://victoriahunter11.github.io/WeatherDashboard/
- Code Quiz: A quiz that tests a player's knowledge of coding. It includes a timer and score counter. Used Javascript, CSS, and HTML. https://victoriahunter11.github.io/CodeQuiz/

HONORS AND ACTIVITIES:

Dean's List	**Spring 2018, Fall 2018**
Member of Association of Information Technology Professionals	**September 2017 – May 2019**
